- JavaFx , Qt

Work methodologies

- Agile(Scrum) , Kanban, XP, FDD

Work architectures

- SOA , Monolithique , Microservices

LANGUAGES

Anglais: C1 Arabic: C2
French: C1 German : A2

Mahdi Zgolli

FullStack Web Developer

PROFESSIONAL EXPERIENCE

Computer Science Internship at Itech-Progress

Developed a leave management web application integrated with an AI model for predicting leave patterns

Tools: Spring boot -Angular -Python -Mysql -Bootstrap

January - July 2024
Germany (6 month)

Computer Science Internship at STE LAG

Developed a web application for a real estate management agency

Tools: Angular- Spring boot- Java- Github - Mysql

July - August 2023
Tunis (2 month)

Computer Science Internship at Simple Concept

Developing a web-based survey management application with statistics.

Tools: Ruby on rails - Sqlite - Github

June - July 2022
Tunis (2 month)

Computer Science Internship at Axe Finance

Developing a web-based invoice management application.

Tools: Bootstrap - php -Mysql

July - August 2021
Tunis (1 month)

ACADEMIC PROJECTS

DevOps project

Using DevOps tools for integration, delivery, and deployment on Spring Boot and Angular projects

Tools: Jenkins- Maven - Docker - Junit -Sonar - Nexus - Git - Grafana

2023 - 2024

Web, mobile, and desktop application

Developing a project with three types of restaurant applications (web, mobile, desktop) sharing a common database

Tools: Symphony - Codenameone - JavaFx - Java - Mysql - Github

2022 - 2023

Real estate web application

Developed a web application for managing real estate transactions, including property rentals, sales, and promotions.

Tools: Angular- Spring boot- Java- Mysql - Python -Github

2022 - 2023

Mobile Management and Tracking Application

Project management and task tracking application that simplifies collaboration within teams

Tools: Java- Mysql -Github

2022 - 2023

Online Sales Web Application

Developing a sports web application for online product sales

Tools: Html/css - Php - javascript- Ajax - Github

2021 - 2022

EXTRACURRICULAR ACTIVITIES

2023 - Present

JCI Centre Urbain Nord

Vice President

2021 - 2022

IEEE Project Management

Project Management

2020 - 2021

IEEE member

Computer Society
